

## People Awards 2010 - 2011 Show Season

As in years past, you may vote for the People Awards on our website or use the ballot below. TICA membership in good standing is required for voting and you must be in the SE Region. All ballots will be verified for voting eligibility before they are tallied.

Go back in your mind to the shows you've attended. Who consistently looked nice in their outfits? Who went through a bad patch, but remained smiling? Who rescued cats and/or people? What Club produced a beautiful or unusual catalog? What show went off smoothly (because we couldn't see the blood, sweat, and tears behind the scenes)? What Clerk kept the ring running efficiently and we could understand them on the mike? And, finally, who did something that helped the Southeast Region come through with flying colors, in spite of high gas prices?

What Judge not only did a super job of judging the cats, but also helped the Clubs who invited them to judge? What Judge did something great for the Region that had nothing to do with judging? What Judge consistently wore well-pressed and becoming clothes?

It will be a difficult choice because this Region is made up of some amazing and wonderful folks. It is because of you that the Southeast is the best Region in TICA!

Please vote in the space below or you may go to the "Private" section of the Southeast Region Website - <http://www.seregiontica.org>. If you prefer to return your ballot via the Postal Service, please send to Liz Flynn, 208 Kings Chapel Rd, Augusta, GA 30907, or you may email her at [tankopje@aol.com](mailto:tankopje@aol.com).

The Regional will be held in Columbia, SC.

See you there. Ed
